Non Year 12 candidates who do not meet the Mathematics prerequisite are advised that selection will be based on the TEMT test. Candidates will be contacted if required to complete this test which will be held at Holmesglen. Non Year 12 candidates who do not meet both the Mathematics and English pre-requisites are advised that selection will be based on the Multiple Choice Special Tertiary Admissions Test (STAT) - refer to VTAC www.vtac.edu.au and completion of the Supplementary Application Form, plus interview. Two referees (workplace and/or personal) are required.

Prior to the first scheduled practicum all students are required to provide:

• A current Working With Children Check (WWCC). Should a student fail to obtain a WWCC, practical training in an early childhood organisation or school will not be provided. As practical training is a requirement of completion of a teaching degree, the student will be unable to satisfactorily fulfill the requirements of the degree.
• A current Victoria Police Records Check may be required by some organisations and schools.
• A current Cardio-Pulmonary Resuscitation (CPR) First Aid certificate (Level 2). Students must ensure that the certificate is valid at the time of undertaking practicum units.
