Interior Decoration (Retail Services)

Program code: MSF31013
Location: Chadstone campus
Program length: 2 years part time
Timetable: Wednesdays, 1.30pm - 5.30pm

Overview
This program is designed to develop the knowledge and skills required for the selection and coordination of interior furnishings and finishes in the decoration of domestic and commercial interiors. You will learn the practical skills and knowledge required to plan and implement creative design and decoration solutions for a variety of interior environments.

You will also learn skills in computing (CAD), Adobe design software, presentation methods, soft furnishings, hard material application, colour theory and application. You will have the opportunity to use Adobe design software throughout the program.

Qualification and recognition
This VET program contributes to your VCE or VCAL. For more information on credit arrangements please visit the website or contact your VET in Schools Coordinator.

Pathway and further study opportunities
The VCE VET Interior Decoration (Retail Services) program provides an introductory overview of interior design and decoration which will provide you with a folio of design work suitable for use at interviews for a variety of art and design programs from certificate, through to diploma and degree level.

This program is suitable if you have an interest in interior design, colour consultation and styling.
