Seasons Greetings!

On behalf of everyone at Holmesglen, we would like to wish you, your families and your students a very safe and happy festive season. We hope you enjoy your well deserved summer break and we look forward to working with you in 2011.

Holmesglen - Get set for life
As students eagerly anticipate receiving their ATAR on 13 December, Holmesglen is here to help.

Change of Preference Hotline
To speak to someone about their options, students can call the Change of Preference Hotline from Monday 13 to Friday 17 December, 9am to 5pm.

Call 1300 MY FUTURE (1300 693 888)

Change of Preference Information Sessions
There are a number of information sessions being held for specific study areas during change of preference. Check the website for details.

www.holmesglen.edu.au/cop

Apply direct!
Also please remind your students that direct applications are available for most courses. In addition to VTAC applications, they can also apply directly to Holmesglen to increase their options.

Why Holmesglen?
- Over 600 different courses in a broad range of study areas
- Pathways to further study, including many articulation agreements with universities
- Hands on learning
- Teachers with industry experience
- Small class sizes
- State-of-the-art facilities.

Hopeful business students can keep their dreams alive

When VCE results are released, consider Business Studies at Holmesglen Moorabbin. The Business Faculty at Moorabbin campus offers a range of courses that lay an excellent foundation for:

- A pathway to a university degree
- A career in business.

Study areas available

- Marketing / Advertising / Management - Certificate IV in Business (Sales) to Dual Advanced Diplomas in Marketing / Advertising and Marketing / Management
- Accounting - Certificate IV in Accounting to Advanced Diploma in Accounting
- Business Administration - Certificate II in Business to Certificate IV in Business Administration

Benefits

- 15 week semesters.
- Small class sizes.
- Advertising studies are largely conducted within our live model advertising agency.
- Learning skills are applied which is excellent preparation for the work force and higher studies.
- On completion, students can articulate to university with credits which reduces their study time at degree level.
- Holmesglen also has a suite of business degrees that students may wish to continue studying in including:
  - Bachelor of Business (Accounting)
  - Bachelor of Business (Marketing)
  - Bachelor of Business (Management)
  - Bachelor of Business (Executive Administration)
  - Bachelor of Applied Management Studies
- Holmesglen vocational graduates receive a guaranteed place in a Holmesglen degree.

HIT TV

Did you know that Holmesglen produces a half hour variety TV show every year on Channel 31? HIT TV is made by the talented Certificate IV Screen and Media (Radio and TV) students at Chadstone. It features documentaries, skits and music and this year is in a fun and loose quiz format with real buzzers and dodgy prizes!

HIT TV is aired on Saturdays at 1pm and repeated on Fridays at 3.30pm throughout November and December. Episodes are also available online at www.c31.org.au.

Careers Practitioner Seminars 2011

In 2011, Holmesglen will be running three Careers Practitioner Seminars. The seminars provide a chance to find out more about the courses Holmesglen offers, providing you with information to guide your students in making suitable career and study decisions. The seminars can also be used as part of professional development.

Dates for 2011

- Thursday 24 March at the Moorabbin campus
- Wednesday 29 June focusing on VETiS and Pathway Programs at the Chadstone campus
- Friday 28 October at the Waverley campus

More information will be made available early next year. Bookings are essential and places are limited. Please contact the Prospective Students Officer for bookings and enquiries.
