The Youth Foyer is a joint initiative of:

holmesglen  Brotherhood of St Laurence  Hanover

The Holmesglen Youth Foyer is made possible through the support of the Victorian government.
What’s ‘the deal’?
To be part of the Foyer you must sign up to a ‘something for something’ deal.
You will need to agree to get into, and stay in education and training.
In return, we will make things happen for you.
This means we will provide you with accommodation, and we’ll support you to study, to train and to work.
We’ll give you the support, opportunities and networks you need to help you reach your potential.

“You will have access to everything on Holmesglen’s campus”

Participation
We want young people to be involved in the Foyer.
We will train you in things that interest you and help you train other young people.
There are lots of opportunities for you to be involved, this could be as a student representative, or helping to run one of our courses.

Who runs the Holmesglen Youth Foyer?
Hanover, the Brotherhood of St Laurence, and Holmesglen Institute will run the Foyer in its first year.
Hanover and the Brotherhood of St Laurence are experienced organisations with strong track records providing education, employment, housing and support services to young people.
Holmesglen is a leading provider of vocational education and training in Melbourne’s south-east.
