ARE YOU...
ENTHUSIASTIC?
RELIABLE?
INNOVATIVE?
CREATIVE?

THEN CONSIDER
A CAREER IN

BUILDING & CONSTRUCTION

Program code: MSF20313
Location: Chadstone campus
Program length: 2 years part-time
Timetable: Wednesdays, 9am - 3.30pm

Overview
The building industry is experiencing a shortage of cabinet makers and this program is a good alternative pathway into the industry.

This program gives you an insight into the training required to achieve a trade qualification in the furnishing industry. You will develop hand and power tool skills while working on a variety of projects related to cabinet making, solid furnishing and polishing.

This program is delivered at Holmesglen’s industry standard workshop and you will be required to provide overalls, work boots and clear safety glasses.

Qualification and recognition
This VET program contributes to your VCE or VCAL. For more information on credit arrangements please visit the website or contact your VET in Schools Coordinator.

Pathway and further study opportunities
Further training pathways following this qualification include, Certificate III in Timber and Composites Machining (Flat panel, Solid Timber or Machining), Certificate III in Joinery (Joinery or Joinery Stairs) or Certificate III in Cabinet Making (Kitchen/Bathroom or Furniture Making).
