You don’t have to be a pro to play

The Holmesglen foundation golf day for 2011 has changed to an Ambrose competition. The Ambrose competition (or best shot) enables golfers of all standards to participate. Playing in a team of four, your team selects the better positioned ball from the tee to the green and plays from that point. Every player then plays their second shot from within a club length of where the best shot has come to rest, and the procedure is repeated until the hole is finished……no pressure, just teamwork and a lot of fun!

The Holmesglen Foundation

The Holmesglen Foundation was established to enable Holmesglen to facilitate and distribute monies generated by Holmesglen through donations and other similar contributions. The purpose of the foundation is to support appropriate endeavours and initiatives which are compatible with Holmesglen’s mission and values which sustain and enhance Holmesglen’s responsibilities as a corporate citizen.
