Overview
If you are enthusiastic about being in the outdoors and physically active, then this is the program for you. Throughout the program you will gain insight into and develop a solid background in outdoor instruction and working for adventure/expedition companies throughout Australia.

This program has an emphasis on practical activities. Throughout the program you will gain experience in canoeing, mountain bike riding, bushwalking, navigation, environmental impact, indoor rock climbing and First Aid as well as learn the basics of preparation for running of these activities.

You will also develop knowledge of the outdoor recreation industry and relevant workplace skills. You will learn about equipment required for outdoor recreation activities and how to conduct outdoor sessions.

Qualification and recognition
This VET program contributes to your VCE or VCAL. For more information on credit arrangements please visit the website or contact your VET in Schools Coordinator.

Pathway and further study opportunities
You may continue your studies in the Certificate IV in Outdoor Recreation and the Diploma of Outdoor Recreation.

This program is suitable if you are considering a career in outdoor recreation or adventure industry.
