Course Handbook 2011

The 2011 Course Handbook will be arriving in your mailboxes next week!

If you don’t receive your copy, or would like additional copies, please contact the Prospective Students Officer.

Remember, the Course Handbook is designed to be a reference for you with detailed course information, and should not be distributed to students. If students are interested in this level of detail, these can be found on the Holmesglen website.
Hospitality VET in Schools Showcase Dinners

Secondary school students studying the VET in Schools course in Hospitality at Holmesglen celebrated completing their two year program at the VET in Schools Showcase Dinners.

Students cooked, displayed and served the meal in a very professional manner to the guests in attendance who included their parents, friends, relatives and representatives from their schools.

The event for students who studied at the Waverley campus was held on Tuesday 7 September at Zest Training Restaurant with approximately 100 guests in attendance. On Tuesday 14 September, the dinner for students studying at the Moorabbin campus was held at Hemisphere Conference Centre and Hotel with approximately 150 guests in attendance.

At the VET in Schools Showcase Dinner students got to demonstrate all the fine hospitality skills that they have been taught at Holmesglen over the past two years. The events are just another example of students receiving hands on education and training.

Change of Preference

The Change of Preference period can be an overwhelming time for many students. There are a number of ways which Holmesglen is here to help your students

Change of preference Hotline
To speak to someone about their options, students can call the Change of Preference Hotline from Monday 13 to Friday 17 December, 9am to 5pm.

Call 1300 MY FUTURE (1300 693 888)

Information sessions
There are a number of information sessions being held for specific study areas during change of preference. Check the website for details.

Opportunity to discuss career options in hospitality

The friendly staff from the Hospitality, Cookery and Bakery Department at Holmesglen are available to talk to your students about the exciting and varied career opportunities and study options available.

We come to you
Staff are available to come out to your school to speak to individuals, small or large groups.

You can come to us!
During term 4, students are welcome to come in and visit the Moorabbin or Waverley campus. Students will experience a tour of the state-of-the-art facilities, and have a opportunity to have a personalised discussion about career pathways and options. Appointments can be made for individuals or groups every second Thursday starting on 7 October from 2 pm - 4 pm.

ACT NOW!
