Overview

The tourism industry is an ever changing and exciting industry to work in. Career prospects range from selling dream holidays to customers as a travel agent, working for an airline or cruise company, to guiding Australian or overseas tours.

Holmesglen has a hands on approach to learning about tourism. You will study in a simulated travel office environment using the latest tourism technology. Throughout the program the emphasis is on developing knowledge of the tourism industry, including Australian and international tourist destinations, travel agency operations and promoting attractions. There will be several local tourism based excursions.

A feature of the year two program is the optional trip to the Gold Coast to explore the tourism industry in Queensland and the operations of a theme park.
