SUPPLEMENTARY APPLICATION
& FOLIO INFORMATION

BACHELOR OF FASHION (APPAREL ENGINEERING & DESIGN)

Course Code: 257HG

INFORMATION AND INSTRUCTIONS TO APPLICANTS
(PLEASE RETAIN THIS SHEET FOR YOUR INFORMATION)

GENERAL INFORMATION

1. Applicants should read the information on the course webpage before completing this form.

2. Complete an online application at www.canberra.edu.au/applynow

3. Complete the enclosed Bachelor of Fashion (Apparel Engineering & Design) Application form
   - Attach a passport size photograph of yourself
   - Attach copies of relevant Certificates/Results
   - Attach any further relevant information to support your application (e.g. references, employer support).

4. Return this form to Holmesglen at the address supplied below.

5. You will need to call 03 9564 1600 to book an appointment time for an interview and folio presentation.

This course is not offered in part time mode. Students accepted into these programs will be studying on a full time basis with a weekly attendance of 4-5 days. As well as a course fee, students are required to purchase a kit of equipment, costing approximately $450. These kits are bought in bulk and prices are very competitive. A materials fee ($200 maximum) is also levied to cover student printing costs associated with the course.

Many applicants become nervous at the prospect of attending an interview and presenting a folio of their work. We try to make the interview as relaxed as possible to put applicants at ease. The interviews are conducted by members of the Bachelor of Fashion (Apparel Engineering & Design) staff who will be able to answer any queries you may have about the Fashion Program at Holmesglen.

Prospective students should thoroughly familiarize themselves with the structure of the course they are applying for and its outcomes. Students should also have some knowledge of the Fashion Industry.

The interview is a chance for applicants to tell the interviewers of their past Fashion, Design and Art experiences, and to let the interviewers know what they hope to achieve from the course.
BACHELOR OF FASHION (APPAREL ENGINEERING & DESIGN)

FOLIO INFORMATION

Students applying for admission to the Bachelor of Fashion (Apparel Engineering and Design) will be drawn from a variety of backgrounds and experiences.

The content of the portfolio will vary between candidates, but requires demonstration of the following attributes:

- technical and conceptual skills
- visual literacy
- creative skills in fashion and/or textiles
- originality in the execution of design work through the design process
- awareness of contemporary design issues
- interest and motivation in the area of fashion design
- presentation skills

These attributes will be demonstrated through an interview and presentation of a folio that contains:

- a variety of recently completed pieces of design, fashion or textiles
- evidence of the use of the design process through the presentation of the sequential development of at least two finished pieces
- drawing from direct observation
- competent use of a variety of media, processes and materials

The folio is an opportunity to demonstrate applicants’ skills and knowledge and experience gained through formal and informal education and training, work experience, and/or life experience. Applicants may include other evidence of their ability to fulfil the attribute requirements at interview.

The staff of the Bachelor of Fashion (Apparel Engineering & Design) look forward to meeting you at interview. We welcome any questions you may have. You can contact our Administrative Officer, at Chadstone (03)9564 1600 during business hours.
