Skill Samplers
Taster programs for school students
www.holmesglen.edu.au
**Skill Sampler**
*Suitable for students in years 9-12*

The Skill Sampler program has been developed to assist students in making decisions about their future study and career paths. Students will gain hands-on experience within a vocation. Students attend Holmesglen for one day (approximately 6 hours) and undertake a workshop in their chosen area. A wide range of workshops are available.

**Super Sampler**
*Suitable for students in years 9-10*

The Super Sampler program assists students in making career and study decisions through a more in-depth program. The program comprises 10 weeks (one-day per week) during which students will try two different industry areas before committing to a VET or pathways program. Upon successful completion students will receive a Certificate I in Vocational Preparation.

---

---

### Workshop availability

Dates are negotiable throughout the year. Some workshops may be restricted to specific times of the year due to teacher and classroom availability. Student enrolment forms must be returned to the Youth Sector Relations Manager one week prior to attending the workshops. Please note minimum and maximum numbers apply for all programs.

### Clothing requirements

Due to strict OH&S regulations, most workshops have specific clothing requirements. These requirements will be advised upon confirmation of workshops. If students do not wear the recommended clothing as detailed in the booking confirmation they will not be permitted to participate in the workshop and no refund will apply.

### Cost Per Workshop

1 day workshop - $55.00 per student plus GST
