Debit Success Payment Plans

When enrolling into the Certificate IV in Building and Construction or Certificate IV in Property Services, all fees are payable at enrolment.

If you would like additional support to help manage your fee payment, a payment plan is available to Holmesglen Short Course students.

The payment plan is established with Debit Success, an external finance company.

To set up a payment plan you will be charged an establishment fee of $40.00 and there is an ongoing transaction fee deducted for the length of the plan.

If the payment is paid using a bank account interest is charged at $3.25 per direct debit or 5.23% if a credit card is used. Debit Success also charges a one off administration fee of $10.00 which is added to the first instalment.

You will be required to bring your bank account details (BSB, account number, name, and name of bank and branch) or credit card details with you at the time of enrolment.

Certificate IV in Building and Construction (Full Fee)

For the Certificate IV in Building and Construction the upfront payment to be made at enrolment is approximately 40% of the total fee.

The remaining fees are paid in 5 monthly instalments, plus interest as specified above. Payments are deducted directly from your bank account or credit card one month after course commencement date.

Certificate IV in Property Services (Full Fee)

For the Certificate IV in Property Services the upfront payment to be made at enrolment is approximately 30% of the total fee.

The remaining fees are paid in 5 monthly instalments, plus interest as specified above. Payments are deducted directly from your bank account or credit card one month after course commencement date.

Please call the Short Course office on 9564 1546 or email shortcourses@holmesglen.edu.au for details of the full course fees.
