

## Holmesglenn Internal Articulation Pathways (2025)

Holmesglenn has a range of approved articulation agreements that enable students who have completed a specified VET qualification at Holmesglenn to be granted credit towards specific Holmesglenn degrees.

The number of subject credits may vary depending on the relationship of the VET qualification learning outcomes to the degree. There is a maximum number of credit points for which exemption can be granted for each qualification. The minimum time to complete a degree is dependent on the credits received and subject availability.

If a VET course has been studied at another Registered Training Organisation the exemptions/advanced standing (subject credits) will be assessed on a case-by-case basis.

Professional Area	Holmesglenn VET Qualification	Maximum credit point exemption	Minimum time to complete degree with credits	Holmesglenn Degree
Accounting	FNS50217 Diploma of Accounting with FNS40217 Certificate IV in Accounting and Bookkeeping	48 credit points (8 subjects)	2 years	Bachelor of Business Accounting (BACC23)
